1. G-2 USAREUR reports that "no official contact is maintained" with Randolph K. STONE. On occasion social contact, based on former association with CIC personnel, is made. Discussion is limited to STONE's remarkably successful business ventures.

2. G-2 invites attention to the fact that STONE is associated through his business ventures with Emil Fridolin HOFMANN, Ferdinand STERNBERG, and the firm Atlas-Donaubondel. This group is the subject of DAD investigation for whom G-2 is maintaining technical coverage.
